

ACCOUNTING AND AUDITING BOARD OF ETHIOPIA

Directive to provide the Criteria for Identifying Reporting Entities
and Registration Directive No. 804/2013

July 2021

Addis Ababa

INTRODUCTION

The Accounting and Auditing Board of Ethiopia is vested with multiple powers and duties by Proclamation No. 847/2014 among which are to set criteria to distinguish and register reporting entities as either public interest entities or small and medium enterprises. Accordingly, the Board considering the type or nature of business, size of resource or number of employees set criteria that distinguish public interest entities and small and medium enterprises. In addition, this Directive provides the time when such reporting entities shall submit and register their audited financial statements prepared in accordance with financial reporting standards stipulated on the proclamation, as well as the accountability for failing to submit such reports within the period prescribed.

Objective

The main objective of this Directive is, in accordance with the provisions of the proclamation, to set criteria to classify reporting entities as public interest entities and small and medium enterprises and to prescribe when to submit their audited financial statements which is prepared according to financial reporting standards to the Board, as well as the accountability for failing to properly carry out such responsibilities.

Accordingly, this Directive is issued by the Accounting and Auditing Board of Ethiopia in accordance with Article 53(2) of the Financial Reporting Proclamation No.847/2014.
